## President's Message

A new snowmobiling season is nearly upon us. The 2010-2011 season to be exact! I know it's a little bit early, but think snow! I'm very thrilled and excited to be your new Club President for this coming year and I want to thank the previous officers, Shawn and Dawn, for their excellent job and contribution to the club for the last couple of years. As your new President, I plan on working closely with the other officers.

Initially I plan on working on club communications and would like to move the club in the direction of doing everything electronically.

## Meeting Notes

The first meeting of the season was held on August 29<sup>th</sup> at Carlson's. Topics discussed were: 'Grass Drags' on October 2<sup>nd</sup>, 'Work Bee for Grass Drags' on October 1<sup>st</sup>, new elections, and our new website.

The grass drags are going to be held October 2<sup>nd</sup> at the Adams County Fair Grounds and we need help with our 'Work Bee for Grass Drags' on October 1<sup>st</sup> at 5pm.

We held new elections and

The first vehicle of communication that we will officially use will be our new WEBSITE ([rusticridgeriders.org](http://rusticridgeriders.org)) which has been approved and is currently in development. It will be rolled out and finalized shortly in the weeks ahead. The other form of communication that will formally be used is email. The only mailings used will be for individuals without email access or for special events and tasks that require a mailing.

We also have an official club address that should be used for all club business whenever possible.

It went smoothly. Dennis Kulwicki is the new President, Rick Carlson is our Vice-President, Mathieu Labs is the new Treasure/Secretary, Chad Rhinehart is our County Rep, and Jim Schnolis is our Trail Master.

During the meeting Dennis Kulwicki gave an excellent presentation about a website that our chapter should have. After the presentation, all the members in attendance voted for the new website. The website should be up

As you all know, our first event of the new season is 'SLEDFEST 2010 the GRASS DRAGS' and I hope to see you there! Let's get out there and volunteer to help support Scott and John, our race directors.

Let's get in the club memberships early and do a little club promoting, such as canvassing old members no longer in the club to rejoin, and new ones interested in joining.

and running by October 2010.

Our next meeting is Sunday, September 26<sup>th</sup>, 10am at Carlson's.
