(Trail Master)

President's Message

I went to SNOWFEST at State Fair Park, as usual, this year and again got some pretty good deals and made several trips out to the Equinox with stuff. I picked up slides and grippers for my Loadmaster trailer, which will make loading & unloading so much easier. The deal I got was you pay for the slides and the gripper mats were free. That alone was worth the admission to the event.

I ran into a bunch of Ridge Riders and stopped by the AWSC booth and talked with AWSC Vice-president Lori Heideman and Miss Snowflake, Macy Wasson,

both of which were spending pretty much of the weekend at the booth promoting the AWSC, fielding questions on the new Wisconsin trail pass, and promoting our sport in general snowmobiling. Oh, did I mention I had a few beers?

The club is planning on putting together a 'TECHNITE', an event geared towards everything you want to know about snowmobiling. Our club has a well versed amount of people with lots of experience/knowledge in the sport that we're going to tap into. We're going to

cover it all (i.e. registration, clothing, helmets, trailers, grooming, the 4-brands of sleds, sled accessories, engines, chassis, belts, lubrication, riding conditions, riding techniques etc.). This will be an event you won't want to miss. It's still in the planning stage with more information soon to come.

Our sponsors for this season are presented on the next page. A special thanks to all of them.

On behalf of the club Board of Directors and the Club Officers, we hope that everyone has a great Thanksgiving Holiday!

-Dennis Kulwicki

Meeting Notes

The third meeting of the season was held on November 8th at Carlson's. Topics discussed were: Website/communications, County Rep. report, Trail Master report, and Recreation report.

The club liability insurance comes due in early December and will be reviewed.

Insurance for the tractor from Mortenson's Farms is due when the tractor is picked up for the season's grooming.

The trails should be ready to go in time for the trail opening December 14, 2015. Thanks to Jim and to all those that pitched in and gave a hand.

The Hayride was also a success and requests have already been made to have another one next year.

The club ride is January 23, 2016 and we will be heading to Three Bears in Warren, Wisconsin. More details will follow.

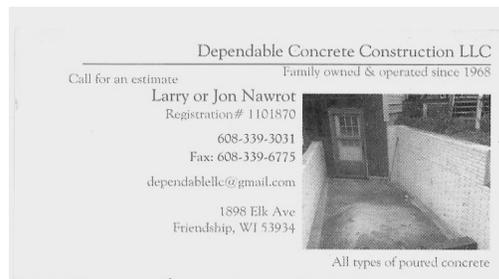

So far we have a total of 59 memberships for the 2015-16 season. If you haven't signed up as of yet, please do so. Also, remember to get your trail pass. You need one for each sled.

Think Snow! Let's Ride!
