President's Message

Today is October 15th and I'm sitting here looking at the screen on my laptop, contemplating on what I'm going to write in this newsletter while it's gloomy and rainy outside. It figures...since it's my 'Birthday'. I'm a first year baby boomer (1946-1964). I was born in 1946 along with my twin brother Dale, which most of you have met (he's also a club member) and we're 67 today. What's kind of cool is that my birth certificate says "Dennis Kulwicki (twin 2)" and Dale's says "twin 1" as he was born before me.

Speaking of gloom and

Meeting Notes

The second meeting of the season was held on October 6th at Carlson's. Topics discussed were: Grass Drags, website/communications, County Rep. report, trail master report, and recreation report.

Club Insurance which consists of our Club Liability and Tractor Insurance will both expire in early December. The insurance agency will remain the same, Schwartz & Shea. But the insurance company will change from General

rain, that's exactly the type of day we had for the Grass Drags this year.

Again, I would like to thank Steve Perik Jr. for taking over the Race Director role. He did a terrific job along with Sue Klein, who did registration and trophy presentation, Paul Klein, who managed the racing results board, Kevin Roon, who ran the start line and Bryce Treszniak, who was the flagman. Sharon Treszniak, Rick Carlson and Jim Schnolis handled the tuff job at the finish line.

Another thanks to everyone else who had

worked this event (setup and tear down etc.). Also, a special thanks to the Castle Rock Lions Club for their work and participation in this event. They took care of the great food, swap, and Show & Shine.

Our own Steve Perik Jr. took the prestigious 'Castle Rock Cup' race. What an accomplishment!

Let's get your membership renewals in quickly. Also, remember to promote the club and encourage people to join as new members or renew if past members.

Casualty to West Bend Insurance.

Club financial audit will occur at the end of July and will take us up to the club fiscal year which ends August 31, 2014.

Make sure you plan on pitching in and participating in this year's trail signing and brushing event. The date is Saturday, November 2, 2013 at 9:30 am. Meet at the County Park on Hwy. Z which is the start of our club trail. There will be a "Potluck" at Dawn

& Jim Schnolis' house (in Jim's 'mancave') when the trail work is done. The Badgers play Iowa on that day.

Still no date for the summer Brat Fry.

All remaining club meetings for the remainder of the 2013-2014 snowmobile season will be held on the second Sunday of each month at 11:00 am. at Carlson's.

Think Snow! Let's Ride!
