(Vice-President)

Mathieu Labs  
(Treasurer/Secretary)

Chad Rhinehart  
(County Rep)

Jim Schnolis  
(Trail Master)

Dave Pliss  
(Recreation Director)

## President's Message

The Holiday Season is behind us and the trails are excellent. The Bears and the Packers both made it to the NFC Championship game and Santa Claus has been really good to a few members in our club with new sleds. It looks like it's going to be a very good year.

The racers in our club (Scott Klein, Paul Klein, Jon Trzesniak, Cole Trzesniak, and Bryce Trzesniak) had a great weekend competing at the *Vintage Racing World Championship* at the Derby Track in Eagle River, Wisconsin and represented our club very well in their

competitive classes, with Jon making it to the *World Championship* finals.

Steve and Traci Crane would again like to thank everyone who entered and participated in the *Castle Rock Pink Ribbon Ride*. The ride was awesome, the stops on the trails and the lake were great, and the activities following the ride, along with music and dancing after words, was both enjoyable and a lot of fun!

The club ride to the Elizabeth Inn in Plover is coming up this weekend and should be fun and I

hope everyone will be able to attend. We're meeting at **Carlson's on Saturday morning, January 29, 2011 at 8:00 am.**

The *Ice/Outlaw Drags* will be coming up next month on Saturday, February 19, 2011 and we'll need a lot of volunteers to put it on and pull off of this fun event. So please plan on volunteering and participating. Something new for this year's event is the ability for the racers to register online through our website.

Think Snow! Let's Ride!

**-Dennis Kulwicki**

## Meeting Notes

The fifth meeting of the season was held on January 16<sup>th</sup> at Carlson's. Topics discussed were: *Ice Drags*, website, County Rep. report, trail master report, and recreation report.

*The Pink Ribbon Ride* was a complete success with 104 sleds.

The club bought two headsets for the ice and grass drags for better communication between the line guys.

The club bought a shed to

keep all the supplies in at one location.

*The Outlaw Drags* are Saturday, February 19 and we will need help.

The club ride to Plover, WI will have a chase vehicle for those broken sleds.

The trails are all groomed and with the amount of snow we keep on receiving, this will be an excellent year to snowmobile in Adams County.

*The End of Season Club*

*Dinner* is Saturday, April 2<sup>nd</sup> at Carlson's Rustic Ridge.

**-Mathieu Labs**
