Rick Carlson
(Vice-President)

Mathieu Labs
(Treasurer/Secretary)

Chad Rhinehart
(County Rep)

Jim Schnolis
(Trail Master)

Committees

Dave Pliss
(Recreation Director)
Director)

President's Message

Boy! It's hard to believe that it's almost the end of February. I hope everyone has been out in the snow and on the trails utilizing and enjoying their sleds.

The one thing that I love the most about snowmobiling is the ability and opportunity that it brings, allowing you to travel and get to places that you normally would never have access to.

Think about it...the trails, pine plantations, farm fields, the river, the lakes, and riding over the bridges that span the creeks and streams. For some reason I

can never just run over a bridge without stopping and shutting down. I always enjoy getting off the sled for a breather and for the opportunity to pull out my camera and take in the serenity and beauty all around me.

So where am I going with all of this ? You guessed it! I'm thanking and commending our Trail Master (Jim Schnolis) and his crew (Rick Carlson, Chad Rhinehart, Jeff Rhinehart) for the excellent job, hard work and time consuming contribution they make while grooming and maintaining the trails.

Their contribution enables all riders to enjoy the trails, whether a club member or not.

Even with the thaw and ice meltdown, our *Ice/Outlaw Drags* for 2011 took place and were amazing. Our co-race directors, Scott Klein and Jon Trzesniak, did a fantastic job. All the club members that participated in the event and assisted the directors in preparing the track, covered the registration table, food tent, race results board, in the pit area, at the start finish lines, pre-race set-up and tear down also did an excellent job. THANKS !!!
-Dennis Kulwicki

Meeting Notes

The sixth meeting of the season was held on February 13th at Carlson's. Topics discussed were: *Ice Drags*, website, County Rep. report, trail master report, and recreation report.

The Club Ride to Plover, WI. was a complete success with 21 sleds and 22 riders,

The club bought one headset for the ice and grass drags for better communication between the line guys.

With the additional new

snow and some grooming. The trails should be open for riding once again, as we move into the month of March. So far this year, we have had an excellent year of snowmobiling in Adams County.

The Adams County Snowmobile Association Dance is Saturday, March 12th at the Cedar Shack, 8:30 pm to 12:30 am. Anyone that has sold tickets should turn in their stubs along with the money collected.

The *End of Season Club Dinner* is Saturday, April 2nd at Carlson's Rustic Ridge.

-Mathieu Labs
