President's Message

Geeezzz! I can't believe that summer is almost gone already. I know it was a hot one. But I enjoyed it just the same!

Even though the club has been on a hiatus for the summer, your club officers have been busy working behind the scenes and have accomplished and implemented a few good things that needed to be done.

The big one was getting the club 'Incorporated' again, as you can see by the heading on top of this newsletter.

We also did a project canvassing area merchants to become club sponsors. All club sponsors will be advertised on our website, displayed with ads on our groomer/drag sled, and be promoted and advertised at all club functions and events. We also placed an ad in the Wisconsin Snowmobile Magazine for the Grass Drags/Sledfest on October 1, 2011.

The latest thing that has been implemented for the new snowmobile season is a service function for our members. I know how all of you know exactly when your AWSC (Association

Wisconsin Snowmobile Club) dues are due.

Anyway, now starting with the September membership renewals, you will be sent a statement of account. In other words, a bill to remind you when your membership for the year expires and when your dues are due.

It should be another fun and exciting season. I'm going to be especially good from now until Christmas. ...if it's not too late already. ☺

-Dennis Kulwicki

Meeting Notes

The first meeting of the season was held on September 4th at Carlson's. Topics discussed were: Elections, Grass Drags, website, County Rep. report, trail master report, and recreation report.

Election results were as follows: Dennis Kulwicki (President), Rick Carlson (Vice-President), Dawn Schnolis (Secretary), and Linda Roon (Treasurer). Our Board of Directors are Sharon Treszniak, Don Abfil, and Jeff Rhinehart.

Also, there was talk about painting and fixing up the groomer. Hopefully there will be more information on that later.

The Club has also been re-registered and re-instated as a Non-stock Corporation, giving us the status of being 'Incorporated' with the State of Wisconsin as a non-stock corporation. A very important and required step for the protection of all members in the club. Thus, we are again becoming the Rustic Ridge Riders Inc.

Our Club Recreation Director, Dave Pliss, would like to know....f or the club ride this year, would you like to trailer and then ride from a place further up-north, or ride from here?

Make sure you plan on pitching in and participating in our 'Grass Drag/Sledfest' event. Set-up is Friday, Sept. 30th at 4:00 pm. With a short club meeting after the set-up Racing on Saturday, Oct. 1, 2011 at 8:30 am.
