## President's Message

Since joining the club, being nominated and then elected president, I have enjoyed all of the tasks and responsibilities that go with the position I hold. It really keeps me busy and out of trouble. For the past year I have been putting most of my energy and effort into the administration and communication aspects of my role as president. (So much for just running the meetings!)

Anyway, after spending this past weekend brushing and signing the trails, it really woke me up as to what this snowmobile club is really all about the trails,

## Meeting Notes

The third meeting of the season was held on November 6<sup>th</sup> at Carlson's. Topics discussed were: Ice Drags, website, County Rep. report, trail master report, and recreation report.

The main topics discussed were: brushing & signing our trails, It was also brought up that Adams County will be closing trails for the first time ever, if deemed necessary because trails are diminishing due to warm weather. The trails would

No trails, no club. 'DUH'

This past Saturday a group of ten of us in the club showed up to help our trail master, Jim Schnolis, complete the task of brushing & signing our trail.

The weather was excellent. We had 3- ATV's, 1 Polaris UTV, 2 pickup trucks, and a trailer full of signs that had a flat tire and needed to be constantly filled with air. We had to complete the job that day because it was probably the last real shot at it with the deer hunting season, frost in the ground, cold weather, and snow on its way.

be closed in conjunction with our surrounding counties: Juneau, Wood, Marquette, etc.

The Castle Rock Pink Ribbon Ride is on January 14, 2012. It's being rescued and revived by another group of our club members, even though it's not a club sponsored event.

Also, the club ride date has been changed to February 4, 2011. Our Club Recreation Director, Dave Pliss, is currently looking for

We had a fun day with food and beverages, (I won't go into details) and enjoyed the Badger game at Jim and Dawn's house. Thanks, for the pleasant hospitality!

By the way..... we are buying two new trailer tires and wheels.

Bottom line..... the trail is done.

a place to ride. The decision was made to ride from here and not trailer to another location. And actually another trip to the Elizabeth Inn in Plover would not be a bad idea either. The plan is to have a 'SUPER BOWL' party at Carlson's when we get back from the ride on Sunday.
