President's Message

Below is an article that I submitted to the Adams – Friendship Times-Reporter on the 4th annual Castle Rock Pink Ribbon Ride. The ride is not a club event but the committee that puts it on is composed of a lot of club members. Here it is:

Despite the mild winter, lack of snow and snowmobile trails being closed, the 4th annual 'Castle Rock Pink Ribbon Ride' event was held on Saturday, January 14, 2012. Due to the challenges of doing the ride by snowmobile, a bus was commissioned by the committee so that the

event would take place. 59 people participated this year with stops at the following locations; Carlson's Rustic Ridge, Splash, Little Ole's, Spot in the Woods, Bayrest, DJ's, Michaels's Landing, South Shore, Shipwreck Bay, Bomkamp's Old Mill, Castle at the Bay and Slip Inn.

This is a yearly charity event where all proceeds are donated to the local Friends and Family Cancer Foundation. And this year, through the participants, sponsors, raffles, and silent auction, \$5,000.00 was raised.

On a sad note, I would like to mention and honor the passing of a good friend to our club, landowner Harold Feldman. Harold was known as a local "unofficial" historian and he loved reminiscing about the "old days". I met Harold a few years ago at our annual landowner's dinner.

Harold's land is on CTY Z, it's the first piece of private property heading south out of the county park on our trail. You ride up and around the barn. A picturesque scene.

Think Snow! Let's Ride!

Club Notes

An Outlaw/Ice Race work-
bee, followed by an
organizational and
planning meeting was held
at Carlson's on Friday,
February 10th, the evening
before the race.

We went over the race
task list to make sure
everything was taken care
of and all set to go for
Saturday's race. The
meeting was not an official
club meeting.

A few notes:

The Adams County
Snowmobile Association's

annual dance is at the
Cedar Shack on Saturday,
March 10, 2012 at 8:30 pm.
Your admission is the
purchase of a raffle ticket.
Let's have a good turnout
and representation from
the Rustic Ridge Riders.

Our next club event is the
landowner's dinner starting
at 5:00 p.m. at Carlson's on
March 31, 2012.

A work-
bee will be
scheduled for the removal
of our signs on the trail. This
will be the end of club
activities for this

snowmobile season.

The trails close April 15, 2012
