(Trail Master)

President's Message

November is here, the Thanksgiving Holiday is near, and our trails are brushed & signed for this year. It kind of rhymes doesn't it? Anyway, thanks to our trail master, Jim Schnolis, and all who helped take care of our trails for this coming season. They got done a little earlier this year which should make the deer hunters happy because we aren't out there scaring and stirring up the deer just before the hunt.

Towards the end of this month is when I get my sleds in working order and ready for riding. You

know... check and charge the batteries, fire them up, change the spark plugs and get some fresh gas. I kind of spend the day in the garage messing around and playing with them. I currently have 3 sleds. The newest of which is a 2012 Ski-doo MXZ TNT 600 E-TEC. I managed to only put 130 mi. on it due to lack of snow last season. Boy, I sure hope we don't have another one of those years or I'll spend more time in the garage sitting on them and dreaming about riding them on the trails.

Speaking of the trails...I believe the trails open on

Monday, December 10, 2012.

Our club's greatest asset is your involvement. Everyone should be involved when it comes to making club decisions on the operations of the club. It's you, the members, that make this club what it is today. Thanks for getting involved and making things happen.

If you haven't sent in your membership renewal, please do so soon. It would be greatly appreciated.

On behalf of the club Board of Directors and the Club Officers, we hope that everyone has a great Thanksgiving Holiday!

-Dennis Kulwicki

which is Super Bowl weekend. It's a trip to Black River Falls. Staying at the Arrowhead Lodge, which is a Best Western. More info and details to follow at a later date.

The Landowner's Dinner is scheduled for April 6, 2013.

Think Snow! Let's Ride!

-Dennis Kulwicki

Meeting Notes

The third meeting of the season was held on November 11th at Carlson's. Topics discussed were: website, County Rep. report, trail master report, and recreation report.

The club is waiting for a sale to purchase a power pole chainsaw for trimming high branches on our trails, which is really needed.

The club liability insurance comes due in early December.

Insurance for the tractor

from Mortenson's Farms is due when the tractor is picked up for the season's grooming.

Traci Crane is looking into some custom club apparel. Good quality embroidered stuff from 'Sportz-N-More' in town. A long sleeve turtle neck with Rustic Ridge Riders down a sleeve, and on the collar, along with your name possibly on the left side of your chest.

Dates to remember and put on your calendar:

The club ride is Feb 2, 2013,
