President's Message

Well.....we finally have some snow and I've finally got over 300 miles on my sled. It's now "broken in" enough to take in for the "after break-in" period adjustments. (I have the 600 ETEC on my 2012 MXZ TNT.) The engine is all that they claim it should be. (No smoke, easy on the oil, and good gas mileage). I don't have any specifics on the mileage as of yet. I only know that it's not close to empty every time I ride it! And I'm not topping it off with oil every time I'm on it!

The season is moving along, as always, rather rapidly. So with the snow still on the

Club Notes

We will be taking nominations for the following club positions for the 2013-2014 snowmobile season. As per our by-laws, we have nominations open for Vice-president, Treasurer and County Rep. (each for a 2 year term) and one slot for a three year term as a board of director.

Nominations will take place at the March meeting and the election will be held at the April Landowner's Dinner on April 6th.

ground, and a number of events behind us, let's get out and enjoy the ride while the weather permits and there's snow on the ground.

I would like to thank everyone who pitched in and participated in our *ICE/OUTLAW Drag* event. As always, it was a success!

And I, as always, was sweating it. It was the same old thing. I'm worrying about it and everyone is guaranteeing me that somehow we'll pull it off. And I'll be damned.... they always do! I'm beginning to realize

A few notes;

The *Adams County Snowmobile Association's* annual dance is at the Cedar Shack on Saturday, March 9, 2013 at 8:30 pm. Your admission is the purchase of a raffle ticket. Let's have a good turnout and representation from the Rustic Ridge Riders. Please turn in your raffle tickets to Rick at Carlson's Rustic Ridge.

Our next club event is the *Landowner's Dinner* starting at 5:00 p.m. at Carlson's on

that the team is that good. And I should believe by now that they just enjoy putting me through the sweats each time and that it's not luck! It's their skill. They are that good!

The race is a lot of work, carried out by a small number of people and we always need help!

I had the privilege of facilitating the pre-race drivers meeting and handing out the trophies. Kevin Roon had his first experience as being the starting flagman. And I finally figured out that the race is for the racers and the sport of snowmobiling.

-Dennis Kulwicki

April 6, 2013.

A work-bee will be scheduled for the removal of our signs on the trail. This will be the end of club activities for this snowmobile season, with the exception of one or two brat fry/bake sales during the summer months.

The trails close April 15, 2013

Think snow! Let's Ride!

-Dennis Kulwicki
