actually works!

We had a lot of fun and had a great time getting the trail done. Thanks to everyone that pitched in and got the job done. A special thanks to Dawn Schnolis & Sharon Trzesniak for putting together the terrific lunch.

We also celebrated Jim's birthday at his man cave while watching the Badgers defeat Iowa. Speaking of the trails...I believe the trails open on Monday, December 9, 2013.

In this issue I would like to personally thank our club

sponsor's that we have so far for this 2013-1014 season. (I've displayed them on the next page.) Make sure, when you stop into their establishments, that you thank and recognize them for sponsoring our club. We surely need them.

The gun deer hunting season is this month. Hunt safely, have a great time, and I hope you get your deer.

On behalf of the club Board of Directors and the Club Officers, we hope that everyone has a great Thanksgiving Holiday!
