## President's Message

Provided there's a 6" base of snow, the trails will open Dec.16. Hope to see you guys and gals out there this year. I don't ice fish. My idea of ice fishing is riding around on the lake, finding my neighbors, and having a beer with them out on the ice. But whether you fish, snowmobile, ski (both downhill or cross country), snowboard, snow shoe, or ice skate, it's great to get outdoors in the elements.

You have to have fun and play in the snow! Sitting around indoors and bitching and complaining about the winter and cold weather just doesn't cut it.

## Meeting Notes

The fourth meeting of the season was held on December 8th at Carlson's while it was **snowing** outside! Topics discussed were: Ice Drags, website, County Rep. report, Trail Master report, and recreation report.

The classes and the rules for the Ice/Outlaw Drags will be the same as last year. After the great job that Jeff Rhinehart did on the food, the master chef will be back at it again this year.

If you do that, it's a long cold winter that never seems to end. That's why I am active and enjoy this snowmobile club and the fine people in it! It keeps me busy and moves the winter along.

I will be reviewing our membership roster with Linda Roon and sending out statements to those that have not renewed their memberships for the 2013-2014 season. I was hoping the membership would take care of itself but, I guess I will have to give it a little push again. Hopefully, everyone rejoins

tractor insurance will remain at the Schwartz & Shea Agency. But our new insurance carrier will be the West Bend Insurance Co.

The trail brushing and signing has been completed. The grooming tractor will be picked up from Mortenson Bros. Farm Inc., so we'll be all set for grooming when the snow flies.

The Castle Rock Pink Ribbon Ride is January 18, 2014. Registration & staging is at 10:00 am. at Splash.

and we expand our club with new members.

It would be super to see a great turnout by club members for the Castle Rock Pink Ribbon Ride and the Club Ride. Both are a lot fun.

On behalf of our club officers and board of directors, I would like to wish everyone a very Merry Christmas and a Happy New Year!

Think Snow! Let's Ride!

The club ride this year is January 25, 2014. We will be leaving from Carlson's and riding to the Arrowhead Lodge, a Best Western in Black River Falls, Wisconsin. More info to follow.

The Adams County Snowmobile Association Dance will be held on February 8, 2014 at the Cedar Shack. A gun raffle has been added for this year.
