President's Message

Geezzz! Something that I never would expect. I was last season's President's Award Winner. You know.... the award that I'm supposed to give out to the member that went above and beyond the call of duty for contributions of time, effort, and dedication to the club. How could that have happened? I have a sneaky suspicion that other board members and officers got together and overrode me.

It's great to be recognized for something once in a while. Hard work and dedication definitely pay off!

Meeting Notes

The first meeting of the season was held on August 31st at Carlson's. Topics discussed were: Elections, Grass Drags, website, County Rep report, trail master report, and recreation report.

Election results from April 5, 2014 were as follows: Dennis Kulwicki (President), Kevin Roon (Secretary), and Jim Schnolis (Trail Master)). Each office is for a 2 year term. Sharon Treszniak was elected as a Board of Director for a 3 yr. term.

Throughout my entire working career, like everyone else, I never felt that I got recognized or monetarily compensated enough for a job well done. But, I'm sure everyone else feels the same way.

Anyway... our summer event, the 'Brat Fry' at Costa Ricky's beach bar, was a success. Thanks to Tom LaRocco for heading up the event along with Terry & Ellen Struck, and the Pres.... me. A special thanks to Rick Carlson for all his participation.

Wow! As I head into my 4th year as President, things are

Treasurer, Linda Roon will present the 2014-2015 budget for approval at the October meeting.

Dates for this year's events: Castle Rock Pink Ribbon Ride, January 17, 2015, Club Ride January 24, 2015, Ice/Outlaw Drags February 14, 2015, Landowners Dinner April 4, 2015, and Sledfest Grass Drags, October 3, 2015. We're also planning on a Brat Fry on July 25, 2015.

Make sure you plan on pitching in and

beginning to fall into place pretty easily. I'm getting in the groove and pretty much in control of what needs to be done and when. The only real challenge now is trying to get people to renew their memberships in September & October at the latest. Nothing is being changed for this upcoming season. But in 2015 – 16, the world of trail passes and sled registration will be drastically changed from what we are currently used to.

As always, we're trying to grow and expand our club. Last year for the 2013-14 season we had 45 memberships and a total of 84 people.
