## President's Message

It's only October with **no snow** insight yet. Me and a lot of you are probably starting to get a little excited about taking the sleds out of storage and getting them ready to fire up and roll in December when the trails open.

We've already received two issues of the 'Wisconsin Snowmobile News' magazine, which is starting to get us primed and excited for some sledding. And even though there's **no snow**, I start getting involved in the **no snow** activities: attending the club meetings, spending the day at our own

'Sledfest Grass Drag' event, and going to 'Snowfest' at Wisconsin's State Fair Park in West Allis, which is a great 3 day weekend event. The brushing and signing of our trails is also an excellent fun time **no snow** event.

By now you should get my message that you can still have fun in the club, have something to do, and get moving and motivated in our sport of snowmobiles with **no snow!**

Good ole Wisconsin weather....you can't count on it for anything. The

'Sledfest' event for this year was cancelled due to rain.

There will more than likely be big changes to the event for next year. We are putting an event committee together to totally assess and change 'Sledfest'. We could possibly change the location, open the racing to all years of sleds, and the list goes on.

**As always, get your club membership renewals in early. We would like to have them all in by the end of October.**

-Dennis Kulwicki

## Meeting Notes

The second meeting of the season was held on October 5th at Carlson's. Topics discussed were: Grass Drags, website/communications, County Rep. report, trail master report, and recreation report.

The club is actively looking for an event trailer. The old one was falling off the frame and was junked.

Keep your eyes peeled and on the lookout for one.

The County is looking into club membership fees for

next year. Suggestion has been made to have all membership fees the same for all clubs in Adams County. This would avoid club jumping and people signing up with the club with the lowest membership fees. All brought on by the implementation of the Trail Pass for next year on July 1, 2015.

The 2014-15 budget was presented by Linda Roon, reviewed by the club members attending the meeting, and approved.

Make sure you plan on pitching in and participating in this year's trail signing and brushing event. The date is Saturday, November 1, 2014 at 9:30 am. Meet at the County Park on Hwy. Z which is the start of our club trail. There will be a "Potluck" at Dawn & Jim Schnolis' house (in Jim's 'mancave') when the trail work is done.

The next 2 meetings will be held on the second Sunday of each month at 11:00 am. at Carlson's.

**Think Snow! Let's Ride!**
