President's Message

As long as I've been in the club, which is 6 yrs now, I've never attended the AWSC workshop. With its close proximity for the workshop at Chula Vista Resort in the Dell's, and Adams County as one of the host clubs for this year's event, I decided to attend this year. And with all of the changes going in with trail passes and all, I figured it was a must.

I was there on Friday, the first day, and worked in the Adams hospitality room. It was a great experience. Believe it or not, there were close to 900 AWSC members in attendance.

Meeting Notes

The third meeting of the season was held on November 9th at Splash. Thanks, Connie and Kim for your hospitality. Topics discussed were: Website/communications, County Rep. report, Trail Master report, and Recreation report.

The club liability insurance comes due in early December and has already been paid.

Bill and Marsha Hicks did a super job with the Adams County hospitality room. It was probably the nicest! It was set up with lots of items that were raffled off, with 2 nice gift baskets set up by Linda Roon and donated by our club. The refreshments consisted of pretty much any kind of cocktail your heart desired, along with beer, soda and lots of snack foods. We also showed our club videos.

I got to meet and know Miss Snowflake for 2014-15, Macy Wasson, and attended two really good sessions. One on the new

picked up for the season's grooming.

The trails should be ready to go in time for the trail opening December 15, 2014. Thanks to Jim and to all those that pitched in and gave a hand.

The Hayride was also a success and requests have already been made to have another one. However, it will not be on the same weekend as brushing & signing our trails.

The club is looking for an event trailer.

trail passes and one on 'Is Your Club Ready???'

Boy! Am I glad that we brought our club into the 21st century with our website and all. I can report that we're right on and way ahead of the game.

Our sponsors for this season are presented on the next page. A special thanks to all of them.

On behalf of the club Board of Directors and the Club Officers, we hope that everyone has a great Thanksgiving Holiday!

-Dennis Kulwicki

The club ride is January 24, 2015 and we will be heading to Three Bears in Warren, Wisconsin. More details will follow.
