President's Message

January, January, January.
To me this is always the
slowest moving, longest
lasting, month of the year.
It's the first month and also
the coldest. You know the
month that produces the
newly acclaimed "Polar
Vortex". A great time to be
out on the trails in the
winter wonderland at night
with the full moon, shining
stars, and a clear cold
night.

Anyway, so far we have
had limited **snow** and the
trails have not been **open**.
The heck with "**Think Snow**".
Maybe we should "**Pray for
Snow**". As you recall I
already talked to Santa

Meeting Notes

The fifth meeting of the
season was held on
January 18th at Carlson's.
Topics discussed were:
website, County Rep.
report, Trail Master report,
and recreation report.

The club ride for this year
has been cancelled for the
24th due to lack of snow.
However, be on the
lookout out for a re-
schedule of the event, if we
get some snow. Same
destination will be the Three
Bears Resort in Warren, WI.

Claus and so far he hasn't
produced, but I'm sure he's
working on it. Where the
hell is Old Man Winter?

Has everyone been
reading the articles in the
AWSC magazine? You
know, the ones by the
AWSC staff and officers
about the clubs and
problems within them. I
kind of hope these
problems aren't felt or exist
in our club. I know for sure
nobody can complain
about "communications"
because all the club
information is definitely out
there and communicated
to everyone i.e. Newsletter,
Website, Facebook, E-mails,

There is no Ice/Outlaw Drag
event this year. Kulwicki will
be putting together a Race
Committee, so start thinking
about getting involved. We
want to get this race stuff
on the right track and off
and running again.

A club fund raising
committee is also being
formed. Another activity for
members to get involved
with.

On January 31, 2015 'COR
Power Sports Racing' will be
putting on a show at
Carlson's. Only club

meetings, etc. We probably
have some clicks, which is
pretty normal. But then
again, they probably aren't
clicks, just groups of people
interested in different
aspects of our club. You
know... social activities, trail
riding, racing, our charity
event, being involved with
the administration of the
club, or just being a Rustic
Ridge Rider member! As
you know, we are always
trying to draw interest and
participation while growing
our membership. I'm
always seeking input,
suggestions, and
enhancements to make
our club more enjoyable
with lots of fun!

-Dennis Kulwicki

involvement would be the
club doing a 50/50 raffle.

Fire & Ice Poker Run at
Splash on February 21,
2015. Benefit for Laura
Moran.

Adams County trail maps
are now available for 2015-
16.

Nominations for 1 Board
member (a 3 year term),
along with Vice-president,
Treasurer, and Trail Master
(2 year terms) will be taken
at the March meeting.

Some of the Castle Rock Pink Ribbon crew presenting a check for \$8,500.00 from the 2014 ride. To a representative from the Friends & Family Cancer Center

A special thanks to everyone who participated in this year's Castle Rock Pink Ribbon Ride. Whether you worked in the event in one capacity or another, simply took part in the event by traveling by car or one of the two buses, or rode on a sled (even though the snow was scarce and the trails closed), thank you.

It was great that the lake was good enough to ride on with good ice and enough snow to cool and lubricate your slides. The heaves were probably the worst I have ever seen on Castle Rock Lake. But, I guess we can't complain. We were still able to use our sleds and ride.

A lot of fun was had by all. Especially at the last stop. The raffles, the meat raffle, 50/50 raffle were fun and exciting. Almost everyone left a happy camper with winning something. And again, it was all done for a charitable good cause, the local Friends & Family Cancer Center.

We hope you plan on attending next year's event in 2016. The Pink Ribbon Ride Organizer's. Thank You!
