President's Message

Good 'ole 'Wisconsin, you can't count on its weather for anything! Remember last winter? Lots of snow and cold. We were riding from the minute the trails opened until the day they closed. What a season! This year is for 'shtinken'!

I did get to do some trail riding during the last week in January. My brother and I trailed up to Phillips, WI. for 4 days and made a trip to the Lake Of the Woods Casino. Phillips had good snow and great trails. It's a great location to consider for riding in your future.

I'm not going to concede

Club Notes

We will be taking nominations for club positions for the 2015-2016 snowmobile season. As per our by-laws, we have nominations open for: Vice-President, Treasurer and County Rep. (each for a 2 year term) and one slot for a three year term as a Board of Director.

Nominations will take place at the March meeting and the election will be held at the April Landowner's Dinner on April 11th.

just yet because I never quit! As you know, Santa Claus hasn't come through. Old Man Winter, and Mother Nature are probably in the Caribbean and they don't seem to care either. So we continue to go through this winter with no snow.

I did manage to take in the COR PowerSports Racing event at Carlson's. It was well organized and done professionally. And of course I had my video pocket camera and filmed it. You'll get to see some of the action at the Landowner's Dinner.

A few notes;

Our next club event is the Landowner's Dinner starting at 5:00 p.m. at Carlson's on April 11, 2015. It will be on the web for you to sign-up and we'll get a head count from that for seating and ordering the food.

A work-bee will be scheduled for the removal of our signs on the trail. (e e-mail will be sent with date & details). This will be the end of club activities for this snowmobile season, with the exception of a brat fry

We kind of missed out on any racing activity with our club and I'm saddened by it. I'm putting a Racing Committee together to look at all aspects involved with racing activities and what we can do to re-vitalize and enhance them. I'll be looking for some key players in our club to jump in and get this racing program rolling again.

Start thinking about getting involved and running for an officer position in our club. Nominations will be coming up at the next club meeting.

Think Snow! Let's Ride!

during the summer months at Costa Ricky's beach bar.

For this year we are kind of, maybe, planning a club picnic and boating activity, tying it together with the Club Brat Fry on July 25, 2015.

I believe the trails close around April 1, 2015.
