## President's Message

What the hell happened to summer? I can't believe that it is over and gone already. Oh well, time moves on and we're into September already which, by the way, is my favorite month of the year! You know, warm days, no bugs, good nights for sleeping, leaves start changing, football season starts, baseball is still on, and of course, we still have auto racing going on. And since Denden is retired, I don't have to get my @\$\$ out of bed to go to work. I am living the dream!

Anyway... we did two brat

fry's this summer and both of them were very successful. We did great at the DJ's Bar & Grill Lawn Mower races. And sold out at the 'Beach Brat Fry' at Costa Ricky's beach bar. Both brat fry's were handled and managed by two different groups and thanks to all those that pitched in and helped. And a special thank you to Miss Snowflake (Macy Wasson) for helping out and attending our event.

As you all know, this 2015-16 snowmobile season is the first year of the new trail pass. Everyone has been well informed via email and

## Meeting Notes

The first meeting of the season was held on September 6<sup>th</sup> at Carlson's. Topics discussed were: elections, website, County Rep report, Trail Master report, recreation report. Trail Pass and club survey.

Election results from April 11, 2015 were as follows: Rick Carlson (Vice-President), Linda Roon (Treasurer). Each office is for a 2 year term. Cora Dellinger was elected as a Board of Director for a 3 yr. term.

Treasurer, Linda Roon, will present the 2015-16 budget for approval at the October meeting.

Dates for this year's events: Castle Rock Pink Ribbon Ride, January 16, 2016, Club Ride January 23, 2016, We're also planning on a Brat Fry on July 23, 2016.

Not yet confirmed, we do plan on doing the Lawn Mower races at DJ's Bar & Grill on May 7, 2016.

We also went over and discussed the club survey results.

club meetings. If you still have questions, go to our website or the AWSC's.

Thanks to all who took the time to complete the club survey. It was my first attempt at ever doing such a thing. It now gives us a barometer and general consensus as to how this club is being run and what we can do to enhance and improve it for the future. It also helps us define the direction of this club.

Congratulations to Ricky Carlson for receiving the 2014-15 President's Award!

As always, we're trying to grow and expand our club. Last year for the 2014-15 season we had 52 memberships.

The overall assessment of the club survey has been very favorable. Everyone completing the survey is satisfied with the administration and communications in the club.

Based on the results of the survey, club meetings will remain on Sunday mornings at 11:00 am and we will make an effort to consistently hold them on the 2<sup>nd</sup> Sunday of the month.
