President's Message

Man, usually at this time of the year I start getting pumped up for the upcoming snowmobile season. But so far the weather for September and now into October is just fabulous. The way it's going I may keep my boat in the water a little longer this fall. And maybe we won't have to turn the heat on until November.

With that said, I still plan on attending 'Snowfest' at Wisconsin's State Fair Park in West Allis, which is a great 3 day weekend event. In the past, I've gotten some pretty good deals on snowmobiling

apparel and all things snowmobile related. I wouldn't miss it! If you have never attended one, you might want to consider it.

Without any racing events anymore, we are looking for ways to generate some additional revenue to replace the monies displaced from the racing events. We've added another brat fry this year and have applied for a Wisconsin State Raffle license with the State Gaming Commission. If approved and obtained, we will be looking into some type of raffle for the club. So get your thinking

caps on and come up with some ideas on a raffle, or raffles, that we can put on and implement. And if anyone has ever been involved with a raffle, we need you!

A special thanks to all those that participated in our club survey. Lots of good info received and appreciated. If you haven't reviewed the results, remember it's posted on our website's secured 'DIRECTORY' Page.

As always, get your club membership renewals in early. We would like to have them all in by the end of October.

Meeting Notes

The second meeting of the season was held on October 11th at Carlson's. Topics discussed were: website/communications, County Rep. report, trail master report, recreation report.

The 2015-16 budget was presented by Dennis Kulwicki on Linda Roon's behalf, reviewed by the club members attending the meeting but is not yet ready for final approval.

The club has applied for a raffle license with the

Wisconsin Gaming Commission.

Make sure you plan on pitching in and participating in this year's trail signing and brushing event.

Discussion on this year's club ride took place. Places brought up for consideration were: North Dakota and the Three Bears Resort in Warrens, Wis. The discussion lead to creating a survey and putting it out to the

membership with various options.

Also on October 31st is the club "Hayride" at 3:00 pm. at Splash Bar & Grill.

Remember, you will need a Trail Pass for all your sleds this year.

All club meetings for this year will be held on the 2nd Sunday of the month (for consistency, scheduling, and planning) at 11:00 am. at Carlson's.

Think Snow! Let's Ride!
