## President's Message

Wow! The last two weekends have been a blast, even though the trails have been closed due to no **snow!** The **TECHNITE** event was informative, fun, and a great night out. Plans are already in the works for next year, and we plan on making it a little more hands-on for the attendees.

The **Castle Rock Pink Ribbon Ride** this past weekend was an excellent event as well. All for a good cause. Thanks to all those that participated for your generosity. A special thanks goes out to the organizers of the event for their time

and effort to make it a special event. The organizers are doing a little re-organizing and re-structuring to strengthen the event and make sure it remains a viable charity fundraiser in the future.

The club ride is going to be re-scheduled as a **FLASH RIDE**. Meaning it will be on the spur of the moment. Here's the plan.... If we get **snow** and the trails are open, I'll send out an email, you sign up online, you get your room, and we ride to the Elizabeth Inn in Plover, WI.

It's hard to believe that we

only have two more club meetings left for the 2015-16 snowmobile season. And it's time for the members to start thinking about getting involved and running for a club officer position. It's time for you to start thinking about getting rid of me.

The positions we need to fill, or are up for re-election, are: President, Secretary, and Trail Master for two-year terms, a re-placement Treasure/Membership Chair for a one-year term, and a Board of Director for a three-year term.

Nominations will be taken at the March club meeting.

-Dennis Kulwicki

## Meeting Notes and events

The January meeting was held on the 10<sup>th</sup> at Carlson's. All of our reports were presented and accepted as presented.

Some interesting tidbits:

We actually groomed our trails this season.

We received our monies due from the county for brushing and signing.

It was reported at the county meeting that in our short season there has been 2 crashes in our vicinity. Fortunately, there were no injuries.

There were 150 snowmobilers pulled over including 10 for no trail pass. 7 of them were ticketed and were described as belligerent.

The Club trip will likely be canceled due to lack of snow. (Yes it has been cancelled. See President DenDen's message for an alternative.)

So! You are still in Adams county on Saturday the 23<sup>rd</sup> with nothing to do. Well? Guess again. There will be a bon fire behind Carlson's Rustic Ridge on Blackhawk

Rd. due East of the restaurant on Saturday evening. This will be a big professional burn. As soon as Rick announces the time, I will blast the message.

One more event Rustic Ridge Riders can support! Fire and Ice will be held on February 20 at Splash.

Our February meeting is scheduled for February 21, 2016 at Splash.

Does anyone know a good snow dance?

**Think Snow! Let's Ride!**
