President's Message

Geeezzzz! We are into the end of February already and will be closing up the 2015-16 season in an eye blink. We only have one more meeting to complete this season, along with one more newsletter in March. I must say it has been a pretty good riding season even though we totally lost out on the month of December. You remember.... the lake wasn't even frozen over on Christmas Day and we had 50 degree days.

And for this season we didn't have to worry about only running the lake. The trails were open on both

Club Notes

We will be taking nominations for club positions for the 2016-2017 snowmobile season. As per our by-laws, we have nominations open for: President, Secretary, and Trail Master (each with a 2 year term). We also have a vacant position for a 1 year term as Treasurer. And one slot for a three year term as a Board of Director. All of the current Officers welcome the opportunity for new Officers and fresh ideas. Please consider this opportunity to serve.

the Adams and Juneau sides of the lake and I had a good time riding on both of them.

The snow is still around and the trails are still potentially open if it snows. I hope we can ride into the month of March.

With the implementation of the new trail pass, we must have done a good job of communicating it out to the club members. I haven't heard of anyone in the club getting zonked for not having a trail pass. It has also done a good job of expanding our club. We are at about 86

Nominations will take place at the March meeting and the election will be held at the April *Landowner's Dinner* on April 9th.

A few notes;

Our next club event is the *Landowner's Dinner* starting at 5:00 p.m. at Carlson's on April 9, 2016. It will be on the web for you to sign-up and we'll get a head count from that for seating and ordering the food.

A work-bee will be scheduled for the removal of our signs on the trail. An e-mail will be sent with date & details. This will be the

memberships this year, up from 52 last year.

As you know, my main goal each year since I've been president is to grow and expand the club by at least one membership. This year with the help of the trail pass it was an easy task. Thanks, everyone for joining and renewing.

Start thinking about getting involved and running for an officer position in our club. Nominations will be coming up at the next club meeting.

end of club activities for this snowmobile season, with the exception of a brat fry during the summer months at Costa Ricky's Beach Bar.

For this year, we are kind of, maybe, planning a club picnic and boating activity, tying it together with the Club Brat Fry on July 30, 2016.

The trails are expected to close around April 1, 2016.
