at Carlson's

## President's Message

As we head into the Fall season, it's time to put the top up, the boats away, get out your bow, take a fall ride on the motor cycle and start getting acclimated to the snowmobile season.

The only activity we did for the summer was the beach brat fry at Costa Ricky's. And for the second straight year, we sold out. Thanks to everyone who pitched in and took part in the brat fry, whether you worked or simply attended and purchased a brat.

As you all know, for this 2016-17 snowmobile

season, you will need to re-apply for this season's trail pass. Everyone has been well informed via email and club meetings, but if you still have questions, go to our website or the AWSC's site.

For a great snowmobile Fall activity, make plans to attend 'Snowmobile USA' at State Fair Park in West Allis, WI. From October 14<sup>th</sup> to the 16<sup>th</sup>. It will get you into the swing of things. You'll get to see all the new 2017 snowmobiles from all the manufactures, a swap meet, great deals on accessories and snowmobile clothing.

TECHNITE last season was a huge success. Watch for announcements and details for this year's event "TECHDAY".

Congratulations to Linda Roon for receiving the 2015-16 President's Award!

As always, we're trying to grow and expand our club. Last year for the 2015-16 season we had 82 memberships.

Let's get the club members in early and do a little club promoting, such as canvassing old members no longer in the club to rejoin, and new ones interested in joining.
