President's Message

It's November and it's time to say a few words and honor our club sponsors. I would like to thank them along with all club members for their continued support. We must be doing some things right in this community for them to have confidence in us & to help make us a more successful organization here in the Town of Quincy, a great environment and area for business, tourism, recreation, retirement and real estate. All our sponsors are posted in this newsletter and likewise need our support in our purchases and their businesses.

The 2018-19 snowmobile season is here. And the snow will be falling upon us quickly. Trail brushing & signing has been completed and our club trail is all set to go. Thanks to the club volunteers who stepped in, gave up their time, and helped out with this task. After all, we are all about snow and we are all snowmobilers. Our primary club responsibility is maintaining and grooming our trail. That's our job and what we get paid for.

The ATV/UTV project is kind of at a standstill. Waiting on a motion set by the Quincy town board to not vote on ATV/UTV's until the policing

problem is resolved and money is in the town budget for 2019. We have requested and submitted a budget request for signing on CTY HWY 'Z' and 'F' to be added to the town budget for 2019 and we will be attending that meeting on November 15th.

Let's get your renewals in quickly so you can apply for your trail pass in a timely manner. As always, I'm pushing and promoting our club to increase our membership by at least one each year over the previous year.

-Dennis Kulwicki

Let's Ride! Go PowerSports!

Brat Fry. Will raffle money versus prizes.

Volunteers are needed for the Pink Ribbon Ride on 1/19. Please contact Dennis Kulwicki if interested.

Next meeting is 12/9/18 at 11:00 a.m. at Splash.

Happy Thanksgiving to all club members and your families

Sue Cole

Meeting Notes & News

The Rustic Ridge Riders met on November 11, 2018 at Splash Waterfront Bar & Grill.

There was a problem with sending emails via the club's website but that has now been resolved. AOL has a cap on how many email addresses can be used in a 'contact list'. The 110 email addresses have now been separated amongst 3 lists.

ATV/UTV license plates are now available. Use the club's website to register if you want one.

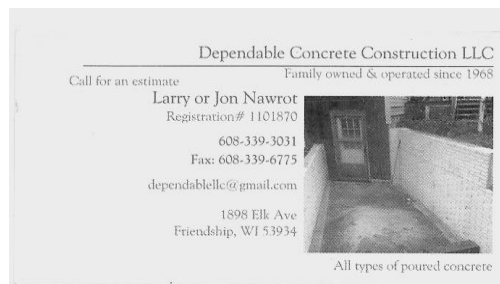

Hayride took place on Nov. 3 and a good time was had by all that attended.

2018-19 club events are:
1/19 Pink Ribbon Ride
2/2/ Club Ride
2/16 Fire & Ice (not a club event)
4/6 Landowner Dinner
