President's Message

Here we are at the end of the month of January, January 25th to be exact and the trails in Adams County are finally open. Big improvement over last year when they were never opened at all. Let's hope it stays cold and we get much more 'snow'. There is still a lot of winter to go yet.

The Castle Rock Pink Ribbon Ride was a huge success. And as in the past few years, we still had no snow! I want to give a special thank you to the committee for all of their dedication and hard work to pull this thing off with no 'snow'. And thank you to all that participated and

Meeting Notes & News

The Rustic Ridge Riders met on January 20, 2019 at Splash. Minutes from November meeting were read.

Trail signing is complete and the trails were groomed once. New 100 ft. strip of trail will be added as land becomes available south of Eagle Dr. on County Z.

Adams County Snowmobile Association is discussing the opening of trails and criteria needed to do so. Want to change the snow total from the current 6"

supported this great cause by attending. A special thanks to Bill Austin for taking control and spear-heading the event.

Let's hope for 'snow' for our Fire & Ice event on February 16th.

I also plan on doing a 'Ride with the 'PREZ' and a 'FLASH RIDE'. (No date, no time, no destination. An email is sent out, you show up, we meet, we ride.)

Even though it's snowmobile season, we're still working on (and are full speed ahead) with our ATV/UTV riding project in Quincy. People, we **really**,

and the opening of sections versus the entire county.

The AWSC wants to raise club dues to \$12.00 as well as change registration from July 1 to June 30 for the 2020 season. Club will align with AWSC decisions.

ATV/UTV: Mary Firari and Nancy Jonas both running for townboard positions. First 'Meet & Greet' held on 1/27 at the Little Pub. Ads also being played on 106.1.

Tractor lease has been signed and insurance paid.

really, need to make this happen. Our initial proposal for ATV/UTV's in Quincy was presented June 29, 2017. The Town Board has been working on the policing item in Quincy since January 2018, a year ago! This is the year and time to get this approved and I can finally see it happening. I'm more excited than ever to get this thing accomplished. For a review of where we are and what still needs to be done, review the ATV/UTV Page on our website and read our ATV/UTV Project List.
