President's Message

Anyway, as summer is quickly approaching, we are still playing around with trying to get ATV/UTV's legal for riding here in Quincy. Holy crap!!!

Yea! We are now finally moving forward. We have a newly elected Chairman in Quincy (Mary Firari) and things will be changing all for the good. With many things way above and beyond the ATV/UTV movement.

We have renewed our club membership with the WATVA Association and are a member in our third year.

Meeting Notes & News

The Rustic Ridge Riders met on May 26, 2019 at Costa Ricky's Beach Bar.

Treasurer's books will be audited this year since this is required every two years.

A BIG THANKS to Scott Kotlowski for the use of the tractor this year.

Trail Master reported that he's working on a few things such as connecting our trail to the Moundview/Dellwood trail.

Planning to hold an ATV/UTV poker run towards Fall. A possible picnic

Since the formation of the South Adams County Road Runners in south Adams County, we should be getting a better and bigger push for legalizing ATV/UTV's here. With more people jumping on the band wagon, the goal is to get ATV'ing legalized south of County 'J' to the south end of Adams County. I have joined and became a member of the Road Runners.

We are still involved, our committee is still active, and we are not giving up. We are staying with it and not going away! Currently, our ATV/UTV Ordinance is tabled as the newly

elected Supervisor #2 says he is doing research on ATV/UTV's. Oh Boy! This will really be interesting.

Club membership renewals and new memberships will change for 2019-20. We are aligning ourselves with the AWSC. (Membership period will be July 1st. to June 30th.)

Welcome all club members and thanks for joining. We will continue to keep you informed, try to energize you to be more involved, and ensure you have fun and a good time being a member of our club.

Ridge Riders have a great Summer

Adams County is a great place for Business, Farming, Tourism, Recreation, Retirement, Real Estate, Development, and Raising a Family!

Just think! (dining, old-fashioning, golfing, boating, canoeing, kayaking, fishing, hunting, trap shooting, hiking, camping, bicycling, motorcycling, snowmobiling, ATV/UTV-ing, cruising, and many more)

Note Below: A sign like this is a few blocks East on County HWY 'F' of Supervisor #2, as you enter the Town of Quincy.

I think the town of Quincy should adopt this sign and use it as our official town 'LOGO'

You got it! On official town documents, checks, letter heads, address return labels, asset tags, business cards, brochures, website, FaceBook etc. while removing the bottom statement 'This sign donated by Neighborhood Watch'.
